COVID-19
Questions
Quarantine

Quarantine - Mandated *Strict stay in the house orders with penalties and fines

- Those with confirmed COVID-19 and those living within the household
- Those with symptoms awaiting test results
- Those traveling from NY, NJ and/or Connecticut (14 days from day of arrival)

COVID-19

Mask Use –
Recent
updates

1. CDC Guidelines – addition last week
 - Those exposed to a confirmed case of COVID-19 that have no symptoms can return to work with mask and monitoring
2. Florida Mandates with penalties and fines
 - County, cities and municipalities of South Florida – Miami-Dade and Palm Counties
 - Osceola County – 3 days ago, everyone in public with these exceptions: <2 yrs of age, people with health conditions in no tolerance for face covering, professionals having no face: face, exercising outdoors with 6' distance maintained

COVID-19

Mask Use –
Recent
updates

Clarifications – Mask Use in our location

- Who should wear a mask/face coverings:
 - Those in contact with COVID 19 patients
 - People with COVID 19 and COVID like symptoms
 - People at high risk to catch should wear a mask
- There are no CDC, FDA or OSHA specific COVID 19 recommendations for face mask in food services unless
 - exposed to a confirmed case of COVID 19
 - are in counties mandated masks for everyone in public
- Those exposed to a confirmed case of COVID-19 that have no symptoms can return to work with mask/face coverings and monitoring

COVID-19

Rumor
Control
Q&A

At this time, there are no national/FL state/Brevard county mandates on closing golf courses or pools so long as CDC guidelines are followed

Anyone who have returned from international travel or a cruise in the past 14 days should quarantine

We have no right to prohibit others from renting, moving and/or inviting guests into their homes
